Call for Entries

Photographers may submit entries starting Monday, April 15th. The deadline is Wednesday, May 15th; no entries will be accepted after that date.

Judging and Selection

- Selection will be made by a panel of three to five impartial judges, at least one of whom is a Spokane Audubon Society board member. At least some panel members will have moderately advanced bird identification skills and experience with bird photography.
- Photographers who submit entries will not be judges.
- The bird in a natural setting must be the focus of the photograph. Preference is given to interesting behaviors, unusual or hard-to-see species, and eye-catching compositions. Habitat and artificial features should not overpower nor draw attention away from the bird(s).
- Judging criteria are photo composition, technical excellence, artistic merit, and overall impact. Normal processing is allowed but over-processed or altered photos will be rejected.
- Submissions must comply with the specified size requirements.
- Following selection, all entrants will be notified of the decisions.

Publication

Each photograph will be published with the common name of the bird species and © with the name of the photographer.

Special Note: Photographers whose images are selected for the calendar may need to provide a TIFF version of the photograph for printing purposes.
