

## Fan Lake / Camp Reed Bird Walk, April 20, 2024, 8am-10am

Directions from the Yokes in Mead (intersection of Mt. Spokane Rd. and Newport Hwy – US Rt 2):

Head north on Newport Highway from Yokes in Mead. Go 19.1 miles past Eloika Lake and turn left onto Nicholson Rd. Go 2.4 miles to where Nicholson Rd. bears to the right but continue straight on Fan Lake Rd. Go 1.1 miles, which will take you along the east side of Fan Lake past the public boat ramp. Then turn right into Camp Reed. Go down the driveway and turn right into the lodge parking lot. We will meet at 8am at the “Welcome to Camp Reed” sign by the turtle (see picture).

**Please understand that this is a private camp with no public access. Spokane Audubon Society has graciously been allowed to hold our April 20th bird walk here.**
